Membership: There are class reunions coming up that need to have representation, 1951, 1961, 1966, 1981 and 1986. Maureen, Helene and Dyarle can do their class reunion '1961' but if someone else would like to come and give a presentation about the Alumni Association that would be okay.

New Business:

[1 Guest: Jeff Lovie who placed 1st January at the District Woodworking competition. He asked if we would make a donation to help pay his way to the National competition in Kansas City this June. The cost is approximately \$1,200.00 per person. Discussion after Jeff left, we would be willing to help in a nominal way but feel that he should be doing something on his own to raise some of the money. Maureen made a motion that we donate \$200.00 towards the costs, Mike Chess 2nd and the vote was unanimous approval.

Old Business:

[1] Dee reported that after the article in the paper a picture was taken in the Library of the class of 1936 graduates. Cathy talked to Troy asking if we can assume that the painting will be back at the end of the year, his response was maybe.

[2] Mike Chess has done a lot of work on the website. He got a complimentary email about 'our awesome website'. Chris Nolten of the class of 1984 suggested that we scan all of the previous Lumberjack Logs. Discussion: This would be a lengthy process and would take up a lot of space on the website.

[3] Marilyn, was finally able to contact Bill Murray about the treasure box & cover, he indicated that he doesn't do that and it was his ex-son-in-law who did it. He made a suggestion that maybe our woodshop would make the box & cover for us. Darin suggested that maybe Jeff Philbrook himself might make the box for us. Marilyn is checking with her step-daughter about a coating that might better preserve newspapers from aging process.

[4] Go 4th sign up sheet going around. Marilyn made a suggestion that we enter a float (truck) in the Go 4th parade.

[5] Everyone given a copy of the latest membership letter, Doug is asking for revision suggestions at the next meeting.

[6] September Alumni Night, suggestions; (1) Maybe do a membership drive with a silent auction, everyone will need to get donations for the silent auction. (2) Could have a reception in the Library to show off the restoration of paintings.

[7] Suggestion was made that we might need to place another order for hats and sweatshirts. The inventory of goods at Doug's office are hats = 24 white & 5 black; sweatshirts = 12 med, 22 L, 10 XL, 11 XXL for a total of 55 sweatshirts left. We sold 18 hats last July. It was decided that we should order Black Hats and Sweatshirts; 6 med, 12 L, 12 XL and 6 XXL.
